Town of Superior – Plan Commission Meeting March 30, 2016

Meeting called to order at 4:30 p.m. Present; Roger Letourneau, Jim Nelson and Jan Dalbec. Absent; Chris Carlson , Linda Meysman. (excused)

Jim motioned to approve minutes of 1-27—16. Jan second. Approved

Map of Stony Brook reviewed with activities as presented discussed. Finance opportunities, donations as available for research. Infrastructure with walkway of 1650' to begin with. Landscaping detail to be discussed at next Stony Brook meeting on April 11.

Expenses submitted for this quarter.

Public Nuisances Ordinance discussed regarding Board action denial as presented. Information and statutes were discussed as researched by Zimm at the Board meeting. As the public requested this ordinance and the plan commission spent many hours determining the fairness, cost, and liability, we can check with the Wisconsin Towns Association to determine if there was a public hearing regarding this ordinance. It is clear that the county committees are not able to cover all issues and this ordinance. Jan requested that all interested persons that have served on the Comprehensive Plan Committee and the Plan Commission be present at the May Town of Superior Board Meeting when Steve Rannenberg, Zoning Administrator will be at the meeting to give history of the County responsibility of the Plan. There were hundreds of thousands of dollars spent on the plan and as many hours and volunteers to come up with the plan for an ongoing implementation process.

Informational items regarding Town of Superior Annual meeting to be held on April 19, 2016 as set at the meeting last year.

Meeting adjourned 5:35 pm
