## Town of Superior Plan Commission Meeting September 5, 2017

The meeting was called to order at 4:04 pm by Chair Jan Dalbec.

Roll call taken had the following present: Jan Dalbec, Jim Nelson, Linda Meysman, Patti Ziburski, Diane Zimmerman. Absent: Chris Carlson

Minutes were approved with the correction of the date for the next meeting which was scheduled for September 5, 2017.

### Business conducted:

Conditional use permit for Travis & Jamie Erickson for Home Occupation- Portable Toilet Business. Neither owner was present to speak on their own behalf or answer any questions. Some of the questions that came up regarded how the potties were cleaned, stored, the number of units to be stored, area stored, if fence is needed, dust control on the road, how the septic pump trucks are cleaned and if they needed to be cleaned, where the trucks are kept, and if they have the required DNR license. They did not get the permit from the County to operate.

After questions by members were unable to be answered by Chair Jan, Chair Jan did contact Mr. Erickson by phone to answer questions the members had. After questions were answered, Mr. Erickson indicated he had the required DNR license and would bring a copy to the town Clerk. In the ensuing discussion, Jim said that if they adhere to the conditions of the permit then he sees no problem in issuing the permit and recommended approval on condition there is dry storage only on the premises and they comply with the DNR license requirements. Patti seconded. Approved.

### Magnuson:

CU21942 from Douglas County Zoning giving information regarding the situation was reviewed. Chair Jan recommended revocation of CU21942 based on the ongoing information from DC Zoning. Patti seconded. Approved.

Next meeting was set for September 27, 2017 at 4:00 pm.

### Other Matters:

Chair Jan indicated that we should try to find others interested in being on the Plan Commission.

Meeting adjourned 5:23 pm.
