Town of Superior Plan Commission Meeting September 27, 2017

The meeting was called to order at 4:05 pm by Chair Jan Dalbec.

Roll call taken had the following present: Jan Dalbec, Linda Meysman, Jim Nelson, Diane Zimmerman. Patti Ziburski arrived at 4:30 pm and Chris Carlson was absent.

Minutes of the September 5, 2017 meeting were approved.

Business Conducted:

Mathy Renewal Permit #12069:

Candy Anderson, representing Mathy, gave background information on the property. This quarry was originally the Kimmes Quarry purchased in 2009. They have been using the quarry since that time and have a reclamation plan. When water gets too deep in the pit, they do pump it out. They are planning on expanding to the east and will be working with the army corp and the DNR for a wetlands permit. They are not working on it yet as there is no need at this time. General questions were asked and all information regarding conditions were included in the packet. With all information given and questions answered, Diane Zimmerman made the motion to recommend renewing the permit as written with the conditions included. Jim Nelson seconded. Motion carried. Candy was made aware of the address on the Douglas County permit up for renewal. It differed from the address on all of the other paperwork.

Fire Department building update:

There was a meeting scheduled for September 28, 2017. Twin Ports Testing did borings on the land now occupied by the fire department. Chair Jan did not have the results or the cost of those borings. There will be an all town informational meeting held in October on the 17th and 24th at the town hall. All questions will be answered. Options will be given regarding the location, size, and architectural design of the building. In November there will be another public meeting to vote on the land purchase and if the building should be built.

History Book:

Chair Jan gave information on the history of the Town and how it should be preserved suggesting a history book be assembled.

Other Matters:

Letters written regarding SPS Investments LLC were reviewed. This was informational as the DC Zoning office is handling this.

Next meeting is scheduled for October 25, 2017. Meeting adjourned at 5:05 pm.
